ACTIVE pixel™
safety made easier

AP-Y6-WIFI-2.0MP-SOLAR-CAMERA

2MP

Key Features

- **ACTIVE PIXEL Solar Battery Powered 2MP 1080P Home Security**
- 1/2.7 Image CMOS sensor
- 1080P Resolution, 2MP Camera
- Lens: 4mm Lens
- Video Mode: Support automatic white balance, automatic gain control, automatic backlight compensation, digital wide dynamic
- Night Vision Mode: Automatically switch between day and night mode
- Infrared Distance: 850nm infrared, effective illumination distance of about 10 meters
- Battery: 2*18650 Lithium Battery, Solar Rechargeable Battery
- Support Micro SD card storage, Max 128G
- Video Stream: 1920*1080/15fps 640*360/30fps
- Video Coding: H264; WiFi Frequency: 2.4GHz
- Event Alarm: Support; Waterproof Rating: IP67
- Smart PIR Motion Detection: Turn on smart detection, detect moving object and send alarm alert to your phone
- Two-Way Audio: Built-in speaker and microphone, not only watch real-time video, you can also listen and talk to your family

AP-Y6-WIFI-2.0MP-SOLAR-CAMERA

Specification

Model	AP-Y6-WIFI-2.0MP-SOLAR-CAMERA
Camera	
Sensor	1/2.7 Image CMOS sensor
Resolution	1080P Resolution, 2MP Camera
High Definition	1080P (Full-HD)
Lens	4mm Lens
Connectivity	WIFI / Wireless
Network Interface	Wi-Fi/802.11/b/g
Video Mode	Support automatic white balance, Automatic gain control, Automatic backlight compensation, Digital wide dynamic
Effective illumination Distance	About 10 meters
Vision Mode	Night Vision (Automatically switch between day and night mode)
Infrared Night Distance	850nm infrared
Battery	2*18650 Lithium Battery, Solar Rechargeable Battery
Storage	Support Micro SD Card Storage, Max 128G
Video Stream	1920*1080/15fps 640*360/30fps
Video Coding	H264
WiFi Frequency	2.4GHz
Waterproof Rating	IP67
Detection Mode	Smart PIR Motion Detection

ACTIVE pixel™
safety made easier

AP-Y6-WIFI-2.0MP-SOLAR-CAMERA

Specification

Model	AP-Y6-WIFI-2.0MP-SOLAR-CAMERA
Camera	
Alarm	Detect moving object and send alarm alert to your phone
Communication	Two-way Audio
Audio Input	Built-in speaker and microphone (not only watch real-time video, you can also listen and talk to your family)
Special Features	Waterproof / Weatherproof
Supported Systems	Windows, ios, Android (Mobile & PC)
Power	Non-stop Solar Powered
Power Supply	Solar Panel +USB Power
Viewing Angle	110 Viewing°
Installation	Side (Wall Bracket Side)
Color	White
Usage	Outdoor
Material	High Quality Case
